East Brunswick Family & Implant Dentistry
Gabriel Ruiz, D.M.D. & Associates

To My Valued Patient,

The goal of our dental team is to obtain optimal dental health for you and your family. We feel a personal, professional and ethical responsibility to care for your oral health. With that said the scope of your oral health lies on your compliance with treatment, good quality home care and maintaining a proper oral health maintenance program with our office and/or recommended specialists. Missed appointments and failure to comply with our recommended treatment schedules and /or procedures prevent us from achieving our goal for your optimum dental health. If you cannot keep your appointments and do not adhere to our treatment recommendations, we will not be able to continue treating you in good conscience. Therefore the following must be agreed upon:

- **Broken appointments.** Our office is committed to accommodating your scheduling needs. In return, we expect 24 hours notice prior to rescheduling or canceling an appointment. This will allow us the opportunity to offer that appointment to another patient and we can reschedule your appointment. There is a $50 fee for all broken appointments and this fee is not covered by insurance.

- **Timeliness is required**. We will do our best to see you on time and get you out on time unless there is an emergency. We request that you be on time for your visits.

- **Cleanliness and infection control are of the utmost importance**. We have the latest sterilization technology and disinfect each treatment room after each patient. We request that you brush your teeth prior to your given appointment.

- **If you miss an appointment you must make it up.** It is critical to your health to do so to avoid setbacks in the care and maintenance of your teeth and gums.

- **Insurance:** Treatment recommendations are based on your health not on your insurance or lack thereof. You agree to be financially responsible for either the full amount of treatment, or the balance after payment by your dental insurance company should the claim be denied or be processed at a lesser benefit level. Your benefits are a contract between you and your insurance company.

- **We run a Zero Balance office.** We expect your deductible and/or co-payment to be paid in full at the time treatment is provided. We have several financial options available for all of our patients. Please speak to our front office team if you have any questions.

- **Our policy is to make your experience in our office an exceptional one.** When we succeed, we would appreciate you telling your family and friends about our office.

- **Concerns.** It is our policy to ensure the complete satisfaction of all of our patients with the service and care they receive at our office. If there is a misunderstanding or miscommunication between you and our office, we will do everything in our power to make things right. This matter should be brought to our attention in an appropriate cordial manner at a time that we can give it the proper attention it deserves for an effective resolution. You can expect that my team will treat you with the same professional demeanor and efficiency as you would expect from them. We will act immediately to resolve any upset that you may have with our office or one of our team members.

- **Emergencies.** It is our goal to eliminate all of the potential dental emergencies you may have by providing care for you before it becomes a problem. In the rare instance that you do have an emergency, we want you to be assured that we will take care of you. In order to do this we would like to define what a true emergency is. Swelling, bleeding, severe pain that has kept you up at night or require medication, or a restoration in a visible area that falls out are all considered emergencies. If you have any of these symptoms, we ask that you call us right away. We will provide you with the next available emergency appointment. We do set aside time each day for emergencies.

We greatly appreciate your cooperation.

Yours in Health,

Gabriel Ruiz, D.M.D.
